

## THE SOLUTION IS REGENERATIVE MEDICINE

## OUR GOAL:

TO GET YOU BACK  
TO ENJOYING LIFE

My knee is already feeling better after just 2 treatments. I'm back to working out as usual which I did not expect. This office is always on time, helpful and just generally awesome people. Would definitely recommend as a non-surgical option.

## ABOUT US

If you've been told that invasive surgery is your best option, or if you've tried everything to eliminate the pain and immobility of your condition without success, QC Kinetix (Boise) is the place to go. With multiple locations throughout the United States, we provide comprehensive regenerative medicine in Boise. At QC Kinetix, we ensure that each patient has a wide array of natural biological and medical treatments. We discuss all therapeutic options with each patient so that they can make the most appropriate decisions for their particular condition. We treat everyone from weekend warriors and professional athletes to active aging patients who want to stay active. Our local medical providers have extensive experience with regenerative medicine therapies and don't just mask your symptoms - they're dedicated to maximizing your body's ability to restore from the inside out for vastly improved function and overall quality of life. So, don't wait for more and contact us now.

## OUR SERVICES

Non-surgical regenerative treatments for pain associated with sports injuries, arthritis and other musculoskeletal conditions
