NON-SURGICAL REGENERATION

DO YOU SUFFER FROM PAIN? HAVE YOU BEEN TOLD SURGERY IS YOUR ONLY OPTION? THERE'S A BETTER ALTERNATIVE...

ABOUT US

If you're experiencing knee pain and limited mobility, surgery may be an option that you consider. QC Kinetix (Lakeland) is a medical clinic utilizing non-surgical Lakeland regenerative medicine treatments to help patients feel and perform at their very best. Whether you are dealing with knee degeneration or a torn meniscus, regenerative medicine can help improve your quality of life. Perhaps you've been told that surgery is your only option for pain. We're here to assure you that may not be the case, thanks to regenerative medicine. We've treated a variety of patients for various conditions, from professional athletes to aging grandparents. If you're looking for knee replacement or hip surgery alternatives, talk to our regenerative therapy specialists to see if our alternative pain treatments are right for you. However, if surgery is not something that you would like to consider, we offer a range of non-surgical treatments for the symptoms caused by musculoskeletal issues in the wrist, foot, ankle, hip, back, shoulder, elbow, and joint pain relief.
